

A basket of decorated Easter eggs and snowdrops on a light blue background. The basket is made of straw and contains several eggs decorated with colorful beads and patterns. There are also several white snowdrops with green stems and leaves. A pink ribbon is tied around the basket. The background is a light blue surface with a bokeh effect of soft, out-of-focus light spots.

ПАСХА

A decorative border surrounds the text, featuring several blue rabbits with pink inner ears and white chests. The rabbits are interspersed with various colorful Easter eggs (red, yellow, blue, pink) decorated with patterns like polka dots and daisies. Green leaves and small flowers are also part of the border design.

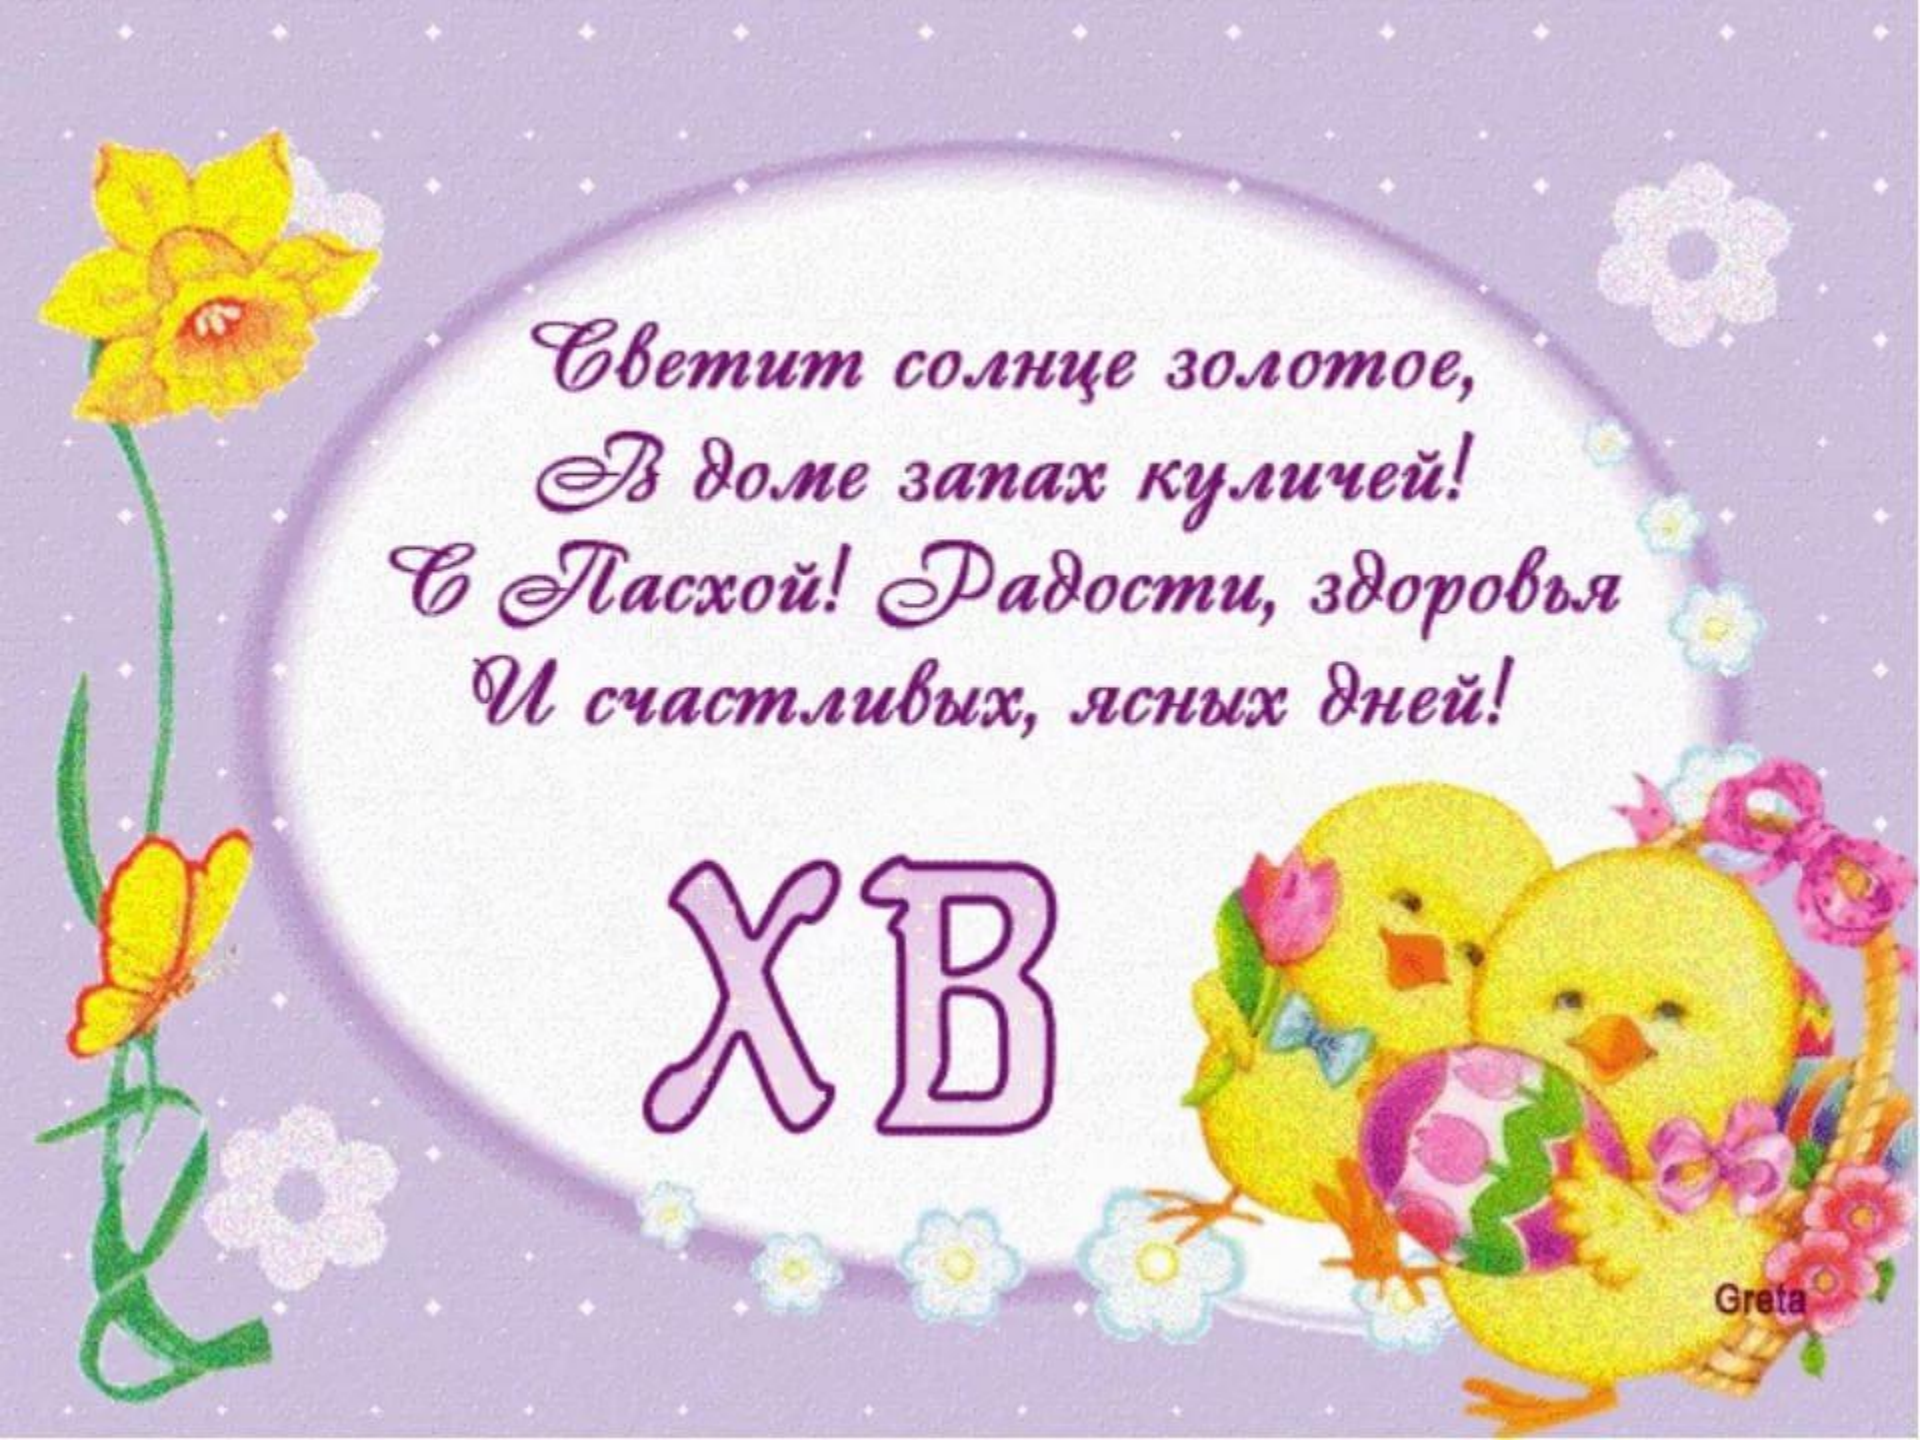

*Словно яркая раскраска,
К нам домой, явилась пасха.
Принесла в своём лукошке,
Яйца, булочки, лепёшки,
Пироги, блины и чай.
Пасху весело встречай!*

Мы тоже готовились к пасхе

*Светит солнце золотое,
В доме запах куличей!
С Пасхой! Радости, здоровья
И счастливых, ясных дней!*
